Student Testimonials

With my father's passing, our already modest family finances made things even tougher for us. If it were not for the scholarships I received from the LAVC Foundation, I probably would not be continuing to attend college. Soon, I hope to transfer to California State University at Dominguez Hills and major in Public Relations. Afterwards, I would like to pursue a career in education. Some day, I would like show my gratitude to the LAVC Foundation by establishing a scholarship!

- Lupe Bugara

I am an overjoyed recipient of the Patrons Scholarship, Telesis Community Credit Union Scholarship, Elaine & Elgin Baylor Merit Award and the Eileen Pearl Scholarship just to name a few. Because of your generosity, I have been able to further my education at Los Angeles Valley College. I am looking to eventually begin a new chapter of my educational resume at UCLA.
